### **Processing and Reporting Procedures**

2. Contracted agent of employing school;
3. Local or state law enforcement agency; or
4. Statewide vendor identified by the Oregon Department of Administrative Services.

To ensure the integrity of the fingerprinting collection and prevent any compromise of the process, the public charter school will provide the name of the individual to be fingerprinted to the authorized fingerprinter.

The authorized fingerprinter will obtain the necessary identification and fingerprinting and notify ODE of the results. ODE will then review and notify the public charter school of said results as well as the identity of any individual it believes has knowingly made a false statement as to conviction of a crime or has a conviction of a crime prohibiting employment[,] [or] contract[ or volunteering].

A copy of the fingerprinting results will be kept by the public charter school. The school's use of criminal history must be relevant to the specific requirements of the position, services or employment.
