**Suspected Abuse of a Child Reporting Requirements\*\***  
(Version 1)

{Required policy. ORS 339.372 requires school boards to adopt policy on reporting of suspected child abuse; **a virtual public charter school** should use Version 2.}

Any public charter school employee who has reasonable cause to believe that **any child** with whom the employee has come in contact has suffered abuse<sup>1</sup> shall make a report to the Oregon Department of Human Services (DHS) through its centralized child abuse reporting system<sup>[2]</sup> or to a law enforcement agency within the county where the person making the report is located at the time of the contact. Any public charter school employee who has reasonable cause to believe that **any person**<sup>3</sup> with whom the employee is in contact has abused a child shall immediately report in the same manner.

The report must contain, if known, the names and addresses of the child and the parents of the child or other persons responsible for the child’s care, the child’s age, the nature and extent of the suspected abuse, including any evidence of previous abuse, the explanation given for the suspected abuse, any other information that the person making the report believes might be helpful in establishing the possible cause of the abuse and the identity of a possible perpetrator.

Abuse of a child by public charter school employees, contractors<sup>4</sup>, agents<sup>5</sup>, volunteers<sup>6</sup>, or students is prohibited and will not be tolerated. All public charter school employees, contractors, agents, volunteers and students are subject to this policy and the accompanying administrative regulations.

<sup>1</sup> Includes the neglect of a child; abuse is defined in ORS 419B.005.

<sup>2</sup> [How to report abuse or neglect: [Oregon DHS](#). Call 855-503-SAFE (7233)]

<sup>3</sup> “Person” could include adult, student or other child.

<sup>4</sup> “Contractor” means a person providing services to the public charter school under a contract in a manner that requires the person to have direct, unsupervised contact with students.

<sup>5</sup> “Agent” means a person acting as an agent for the public charter school in a manner that requires the person to have direct, unsupervised contact with students.

<sup>6</sup> “Volunteer” means a person acting as a volunteer for the public charter school in a manner that requires the person to have direct, unsupervised contact with students.

Any public charter school employee who has reasonable cause to believe that another public charter school employee, contractor, agent, volunteer or student has engaged in abuse, or that a student has been subjected to abuse by another public charter school employee, contractor, agent, volunteer or student shall immediately report such to DHS through its centralized child abuse reporting system or to a law enforcement agency, and to a designated licensed administrator.

The public charter school will designate a {<sup>7</sup>} licensed administrator and an {<sup>8</sup>} alternate licensed administrator, in the event that the designated licensed administrator is the suspected abuser, for each school building, to receive reports of suspected abuse of a child by public charter school employees, contractors, agents, volunteers or students.

If the administrator is the alleged abuser the report shall be submitted to the [insert {<sup>9</sup>} licensed administrator position title] who shall also report to the Board chair.

The public charter school will post the names and contact information of the designees for each school building, in the respective school if applicable, designated to receive reports of suspected abuse and the procedures in GBNAB/JHFE-AR(1) – Reporting of Suspected Abuse of a Child the designee will follow upon receipt of a report, the contact information for making a report to law enforcement or the centralized child abuse reporting system of DHS, and a statement that this duty to report suspected abuse is in addition to the requirements of reporting to the designated licensed administrator. This information will be posted in the respective school building[ and on the school’s website].

When a designee receives a report of suspected abuse, the designee will follow procedure established by the public charter school and set forth in administrative regulation GBNAB/JHFE-AR(1) - Reporting of Suspected Abuse of a Child. All such reports of suspected abuse will be reported to a law enforcement agency or DHS for investigation, and the agency will complete an investigation regardless of any changes in the relationship or duties of the person who is the alleged abuser.

When there is reasonable cause to support a report, a public charter school employee suspected of abuse shall be placed on paid administrative leave pending an investigation and the public charter school will take necessary actions to ensure the student’s safety. When there is reasonable cause to support a report, a public charter school contractor, agent or volunteer suspected of abuse shall be removed from providing services to the public charter school and the public charter school will take necessary actions to ensure the student’s safety.

<sup>7</sup> {ORS 339.372 requires the public charter school to post the names and contact information of the persons, i.e., a licensed administrator and an alternate licensed administrator, in the event the designated administrator is the alleged perpetrator, who are designated to receive reports of sexual conduct for a school building in the respective school building. A “licensed administrator” is a person employed as an administrator by the school and holds an administrative license issued by TSPC or may be a person employed by the school that does not hold an administrative license issued by TSPC if the school does not require the administrator to be licensed by TSPC (ORS 339.370 as amended by Senate Bill 51, 2021). An administrator not requiring licensing by the school will be registered as an administrator with TSPC (ORS 338.125(7)(a)).}

<sup>8</sup> {Consider that this alternate licensed administrator may need to be a licensed administrator employed by the school’s sponsor if a second licensed administrator is not employed by the public charter school. Discuss this with the school sponsor and insert appropriate language.}

<sup>9</sup> {A “licensed administrator” is a person employed as an administrator by the public charter school and holds an administrative license issued by TSPC or may be a person employed by the public charter school that does not hold an administrative license issued by TSPC if the public charter school does not require the administrator to be licensed by TSPC.}

The public charter school will notify the person, as allowed by state and federal law, who was subjected to the suspected abuse of any actions taken by the public charter school as a result of the report.

A substantiated report of abuse by an employee shall be documented in the employee's personnel file. A substantiated report of abuse by a student shall be documented in the student's education record.

The initiation of a report in good faith, pursuant to this policy, may not adversely affect any terms or conditions of employment or the work environment of the person initiating the report or who may have been subjected to abuse. If a student initiates a report of suspected abuse of a child by a public charter school employee, contractor, agent, volunteer or student, in good faith, the student will not be disciplined by the public charter school or any public charter school employee, contractor, agent or volunteer. Intentionally making a false report of abuse of a child is a Class A violation.

The public charter school shall provide information and training each school year to public charter school employees on the prevention and identification of abuse, the obligations of public charter school employees under ORS 339.388 and ORS 419B.005 - 419B.050 and as directed by Board policy to report suspected abuse of a child, and appropriate electronic communications with students. The public charter school shall make available each school year the training described above to contractors, agents, volunteers, and parents and legal guardians of students attending public charter school-operated schools, and will be made available separately from the training provided to public charter school employees. The public charter school shall provide each school year information on the prevention and identification of abuse, the obligations of public charter school employees under Board policy to report abuse, and appropriate electronic communications with students to contractors, agents and volunteers. The public charter school shall make available each school year training that is designed to prevent abuse to students attending public charter school-operated schools.

The public charter school shall provide to a public charter school employee at the time of hire, or to a contractor, agent, or volunteer at the time of beginning service for the public charter school, the following:

1. A description of conduct that may constitute abuse;
2. A description of the investigatory process and possible consequences if a report of suspected abuse is substantiated; and
3. A description of the prohibitions imposed on public charter school employees, contractors, and agents when they attempt to obtain a new job, as provided under ORS 339.378. [A public charter school employee, contractor or agent will not assist another public charter school employee, contractor or agent in obtaining a new job if the individual knows, or has reasonable or probable cause to believe the public charter school employee, contractor or agent engaged in abuse, unless criteria found in ORS 339.378(2)(c) are applicable.]

Nothing in this policy prevents the public charter school from disclosing information required by law or providing the routine transmission of administrative and personnel files pursuant to law.

The public charter school shall make available to students, public charter school employees, contractors, agents, and volunteers a policy of appropriate electronic communications with students.

Any electronic communications with students by a contractor, agent or volunteer for the public charter school will be appropriate and only when directed by public charter school administration. When

communicating with students electronically regarding school-related matters, contractors, agents or volunteers shall use public charter school e-mail, using mailing lists and/or other internet messaging approved by the public charter school to a group of students rather than individual students or as directed by public charter school administration. Texting or electronically communicating with a student through contact information gained as a contractor, agent or volunteer for the public charter school is [[strongly] [discouraged] [prohibited].

The administrator shall develop administrative regulations as are necessary to implement this policy and to comply with state law.
